

Certified Reliability Professional

This is to certify that

Eduardo Calixto

has successfully completed all the requirements
for the CRP program and successfully
demonstrated unquestionable expertise in the field of
reliability engineering.

CRP Mentor

The participant, Eduardo Calixto, completed the **CRP Requirement** according to the list below:

Category	Title	Course Date
Course	RS 401 - Reliability and Life Data Analysis - São Paulo, BR	9/28/2004
Course	RS 403 - Introduction to System Reliability / Maintainability Analysis - São Paulo, BR	9/30/2004
Presentation	CENPES II Project Reliability Analysis - SIC 2005	6/16/2005
Course	RS 480 - RCM Principles and Applications - São Paulo, BR	10/20/2005
Project	Systems Availability Enhancement Methodology: A Refinery Unit case study.	5/1/2006
Course	SIC - Simpósio Internacional de Confiabilidade - Rio de Janeiro, BR	6/16/2006
Course	RS 511 - Application of Reliability Growth Models in Developmental Testing and Fielded Systems - São Paulo, BR	12/6/2006
